Update Form

Please note that you require a new license key to perform an update to a new version (e.g. HiCAD 2019 and/or HELiOS 2019). Before downloading a new update, please request a **new license key**. To do that, you can conveniently use the link for your country and let yourself guide through the request form step by step.

Please have your **ISD Customer Account** access data ready (customer number + password for license activation) to request your update. Please note that HiCAD and/or HELiOS updates can only be requested by the **contact person for licensing** at your company.

HELiOS 2019 (2401.0) now available

Urs Friedli posted on Jun 04, 2019

HELiOS 2019 Service Pack 1 (2401.0) musste aufgrund von einem kritischen Problem in der Software wieder zurückgenommen werden. Wir werden kurzfristig die HELiOS Version 2401.1 zur Verfügung stellen. Sollten Sie Version 2401.0 bereits heruntergeladen haben, raten wir Ihnen davon ab, diese zu installieren. Warten Sie stattdessen auf Version 2401.1. Haben Sie die Version bereits installiert, wenden Sie sich bitte an unseren Support. Due to a critical issue in the software,...
